Skills and Abilities

Communication

- Excellent verbal communication skills as demonstrated when working at the farm where I was required to deal with customers and staff.
- Excellent written communication skills developed through my Secondary School and VET studies where I have consistently achieved great results.

Team Work

- Confident team member who has had extensive experience working with others. This is best demonstrated through my working commitments where I have been a part of managing and working as a team.
- Ability to work successfully with others to achieve tasks as allocated by my teachers at Cire Community Schools.

Technology

- I have learnt to use technology through school and in my personal life, I am confident at using different technology and quick to learn new things.
